CHURCHES RESPOND. HOMELESSNESS ENDS. HOPE BEGINS.

“The Word became flesh and blood, and moved into the neighborhood.”

John 1:14 (MSG)

Our Mission

To engage Christian faith communities in ending family homelessness through neighboring relationships that demonstrate Christ’s love.

Our Vision

Harrisonburg-Rockingham, a community where no family is homeless.

What We Do

Bridge of Hope serves families facing homelessness in our local community. We serve the most vulnerable families, households headed by one parent.

Bridge of Hope is a Housing First program, which helps find safe, fair-market housing and offers rental assistance on a decreasing basis over the time of the program, which can range from 12-24 months. Our trauma-informed program is a three-way partnership that includes the family which drives the program, the case manager who connects the family with resources to reach their holistic goals, and Neighboring Volunteers who serve as a social support system. This social support is what makes our program unique.

As a Christian faith-based organization, we call the church to care for the families through friendship, advocacy, and financial support. The overarching goal is that families will break the cycle of homelessness and live into stable, resilient futures.

The Top Three Causes of Homelessness

1. Lack of Affordable Housing

There is a less than 3% vacancy rate in fair-market housing in Harrisonburg. As a Housing First program, **we need Landlord Partners** to partner with us in breaking the cycle of homelessness.

2. Lack of a Living Wage

Our rental assistance program helps families take classes, find a new job, build credit and/or pay off debt. **We need financial support** to continue to offer this important program to local families.

3. Domestic Violence

Most of our program participants, including children, have experienced some form of trauma in their lives. **We need Neighboring Volunteers** from local churches to walk alongside our families with love and care during their time in the program.

Our Staff

Chris Hoover Seidel, Executive Director, is passionate about growing Bridge of Hope's trauma-informed work, by engaging churches, agencies, and individuals. She's also passionate about addressing the systemic issues that perpetuate homelessness.

Maria Rodriguez, Program Director, is driven by Bridge of Hope's holistic approach that affirms the strengths and personal goals of each program participant. She is passionate about implementing a trauma-informed program model that emphasizes neighborhoods of support to end family homelessness.

Makayla Fulmer, Neighborhood Resource Specialist, is passionate about engaging with communities who have been marginalized, through a collaborative approach to meet client needs and goals. She strives to honor the resilience, dignity, and autonomy in each person she works with; her dedication lies in co-creating and enjoying a community where all individuals are well cared for and feel truly welcomed.

Carolyn Nutter, Neighborhood Resource Specialist, is committed to Bridge of Hope's housing first ethos and whole family approach to working with families. She is tenacious in finding housing solutions and programs that will empower families and working with communities to be aware and bold in supporting each other. Carolyn believes in the power of human kindness and respect to create strong resilient individuals who will work together.

Valerie Washington, Neighborhood Resource Specialist, is passionate about creating healthy, safe spaces throughout communities that are authentically curated by each individual, family and household. She strives to help rebuild confidence within families through supporting creative problem solving, trust and mutual respect and accountability. She aims to help build a new culture of sustainability by uplifting practices and routines of thriving, rather than just surviving.

Jooyeon Kim, Book Keeper, is grateful to use her skill set as a book keeper to take part in Bridge of Hope's goal of helping families in the local community break the cycle of homelessness.
